Features

Universal Fit

Fits most TV's up to 60" diagonal and up to 120lbs. Supports VESA hole patterns up to 600mm.

Durable TV Cable Harness

The cable harness system acts like a picture frame wire to hang the TV on the wall plate. The cable and harness are strength tested up to 500 lbs.

Easy Install Wall plate

Unique TV wall hook design secures TV cable harness with a specially designed locking mechanism. Dual stud installation provides secure attachment for larger TV screen sizes.

Innovative Sliding Wall Hook

Unique sliding hook wall bracket design allows up to 13" of lateral movement post installation for perfect TV centering on the wall.

Low Profile Design

TV hangs 1" from the wall to complement today's ultra-thin TV's.

Rubberized Wall Spacers with Integrated Kick Stands

Attach to lower VESA holes to provide parallel positioning to the wall. Non-marking rubberized tips protect the wall surface and provide stiction. Integrated "kickstands" hold the TV away from the wall to ease wiring.

All Necessary Hardware Included

Variety of screw sizes included for compatibility with most TV's.
