Customize with Android Market™

With access to the Android Market™, you can browse through thousands of useful time-saving and entertaining apps. There's also instant access to Google™ mobile services and applications including 3D maps and easy web search with Google Voice Search. Download what you want and make your Tablet truly yours.

Universal Remote Control

Having difficulty remembering which remote control goes with which device? Let Sony Tablet™ S solve that for you! Whether it's your TV, Blu-ray Disc™ player, stereo or cable box, you can control all of them right from your Sony Tablet™. The Sony Tablet™ S built-in Universal remote not only controls your Sony products, but other brands as well³.

Sony Entertainment Pack

- Pre-loaded Crash Bandicoot & Pinball Heroes games
- Free 6 month basic membership to Music Unlimited
- Free movie download from Video Unlimited⁴
- Free eBook download from Reader™ Store⁵
- Only Android Tablet with free full-length Movies and TV Shows from Crackle⁷
- Only Android Tablet with foursquare Android™ App⁸

Instant Access to Hit Movies

Video Unlimited is your ticket to instant entertainment. Featuring a catalog of the latest releases from every major studio to rent or own, Video Unlimited offers you instant access to hit movies direct to your living room.

Millions of Songs – Instantly

Music Unlimited offers you instant access to millions of songs from every major label. Forget syncing MP3 files across multiple devices, simply sync to the cloud once and enjoy the music you love on any PC and a variety of Internet-enabled Sony devices¹. Enjoy timeless favorites or dare to try something new - all without paying for each track or album.

Get your game on with PlayStation®

Sony Tablet devices are the first PlayStation® Certified tablet that provides out-of-the-box gaming with included favorites Crash Bandicoot and Pinball Heroes.

Build your Library

Access bestsellers, new releases, magazines, comics and more from over 2 million titles available at Reader™ Store from Sony. The intuitive interface is ideal for on-the-go reading, allowing you to make bookmarks and highlights, plus adjust font sizes as you read. With Sony Tablet™ S, you can take your favorite eBooks on the go.

Sony's brilliant TruBlack™ display

By controlling the refraction of light between the LCD and the screen, Sony's TruBlack™ panel provides more vibrant colors, deeper blacks, and a totally amazing image. Enjoy exploring your connected world even more with the beautiful display offered by Sony's unique panel display technology.

Swift and Smooth Experience

Sony's latest software technology brings you fast web browsing, responsive touch panel, and exceptionally intuitive user interface.

Ergonomic design to fit your hand
